PERFORMANCE

Why Smart Laminate?

- A transparent overlay of extremely wear resistant melamine resin and aluminum oxide that is warranted for up to 35 years.
- Patented Uniclic® Joint resists ugly gapping. No other joint outperforms TORLYS Uniclic® Joint. Lexington Laminate utilizes Uniclic® Joint and TORLYS SmartClic end joint technologies.
- TORLYS Smart Core is ultra dense and engineered to be extremely dent resistant.
- Move It and Re-use It – every TORLYS floor can be disassembled and re-used in another room or home.

STARTS BEAUTIFUL, STAYS BEAUTIFUL

The result is a beautiful laminate floor created with minimal environmental impact. TORLYS Smart Laminate is easy to install and maintain, and designed for long-lasting beauty.

PROTECTION

PROTECTION

Bulldog™ Easy Plank Replacer – A Floor's Best Friend

TORLYS Bulldog™ Easy Plank Replacer allows you to:

- Replace a damaged plank, not your entire floor – just ask your TORLYS retailer to replace damaged or dented planks with the TORLYS Bulldog™ Easy Plank Replacer. No glue. No nails. No staining.
- Fix major mishaps quickly and easily.

Contact your TORLYS retailer for details.

Minor Fix-Ups

TORLYS offers touch-up kits for minor scratches.

why smart laminate?
unequaled realism.
no gapping guaranteed.

ASSURANCE

TORLYS smart floors start beautiful and stay beautiful over time. We create inspiring flooring and support your purchase like no other flooring company. Our goal is to create a unique and enjoyable purchase experience. We believe it is the smart thing to do.

CHANGE YOUR MIND?

If after 30 days from installation you are not satisfied with the colour or style of your TORLYS floor, contact your retailer and TORLYS will replace your floor with a TORLYS floor of equivalent value. All you pay is the cost of installation. For more information and to register your warranty, visit www.torlys.com.

GUARANTEED TRADE-IN VALUE. NOW THAT'S SMART!

Years down the road, when you want to change your floor, TORLYS will provide you a Trade-in Value of up to 20% of the original purchase price of your old floor. All you need to do now is register the warranty for your new floor. Visit www.torlys.com for details.

you just can't go wrong.

TORLYS Natural Glow® Eco-Friendly Cleaning Kit

MOULDINGS AND TRIMS

TORLYS Laminate Floor requires a transition moulding to cover the expansion gap mandatory in floors wider or longer than 50' and at doorways.

INCIZO 5-IN-1 Moulding

A Reducer, T-Moulding, Square Nose and Flush Stair Nosing in ONE profile.
Nominal 84-1/2" (length) x 1-7/8" (width), (2150mm x 48mm)

FLUSH STAIR NOSING INCLUDED IN INCIZO 5-IN-1 MOULDING

Improved to now include flush mount stair nosing.

1. T-Moulding – used to adjoin two floors of identical height.
2. Reducer – used to transition two different floor heights.
3. Square Nose – used to transition to carpet.
4. Square Nose – edge moulding used to conceal the expansion gap around the perimeter of the room.
5. Flush Stair Nosing – stair-edge seamless trim moulding for installation of TORLYS Laminate on staircases. Clicks flush into your TORLYS Laminate floor, thus eliminating the overlap of traditional stair nosing. An Aluminium Sub-Base is required for the Flush Stair Nosing installations. Incizo can also be used for non-flush installations on landings.

LAMINATE MAINTENANCE

TORLYS recommends Natural Glow® Eco-Friendly Maintenance Kit for easy maintenance. It's biodegradable, easy on the environment, and makes every TORLYS Laminate Floor spotless.

TORLYS Natural Glow® Eco-Friendly Cleaning Kit

TORLYS eco-friendly cleaning products are biodegradable (with no VOCs) and fragrance free. Clean your floor as required with this easy-to-use kit.

Maintain Humidity in Your Home

TORLYS smart floors are natural products. Use a humidifier or dehumidifier to regulate humidity (30 – 60%) and minimize expansion and contraction. This is required to preserve your floor.

UNDERLAY

Breakthrough Technology. Superior Underlay.

Now all TORLYS Underlays feature antimicrobial protection to help prevent mould and mildew!

Choosing the correct underlay for your new TORLYS Laminate is crucial for the protection of your flooring, your warranty and to enhance the warmth and comfort of your new laminate.

TORLYS Safe and Sound (5-in-1 Foam Underlay)

TORLYS Safe and Sound reduces the sound of steps, eliminates "hollow" sounds and keeps floors quiet. TORLYS Safe and Sound features a built-in vapour barrier and a 3" self-adhesive strip as well as antimicrobial protection to help prevent mould and mildew, making it a perfect choice for basements and installations over concrete sub-floors. TORLYS Safe and Sound is now suitable for glue-down and nail-down installations of any type of hardwood (solid or engineered), LVT or vinyl plank flooring!

TORLYS Acoustik (4-in-1 Foam Underlay)

TORLYS Acoustik has superior impact sound insulation properties (IIC-rated), ideal for highrise installations where the transfer of sound from one apartment to the one below is a concern. TORLYS Acoustik also features a vapour barrier and a 3" self-adhesive strip as well as anti-microbial protection to help prevent mould and mildew.

TORLYS 3-in-1 Foam Underlay

This foam underlay provides cushion and step-sound reduction for your TORLYS Laminate floor. It includes a vapour barrier with a 3" self-adhesive strip to ensure your entire floor is protected from sub-floor moisture, and antimicrobial protection to help prevent mould and mildew.

TORLYS CorkPlus™ Underlay

TORLYS CorkPlus™ Underlay is a superior natural insulator with long-lasting performance. An environmentally friendly product, TORLYS CorkPlus™ Underlay offers natural air-cushioning for comfort, sound step absorption and thermal insulation, and contains Microban® antimicrobial protection that helps prevent mould and mildew.

What makes TORLYS Laminate floors different than other floors?

1) **Laminate Layers.** Multiple layers compose each laminate plank in order to look and feel like real wood and create greater durability – all at an affordable price.

- A) A backing layer provides a moisture barrier and added stability
- B) Patented Uniclic® Joint - The most advanced, gap-resistant joint system available today.
- C) Real wood-like textures featuring natural designs.
- D) A top finishing layer to ensure your floor stays beautiful year after year.

2) **Smart Technology.** Like all TORLYS Smart Floors, a unique production process ensures an environmentally friendly floor. TORLYS Laminate Floors are made in Europe and North America. Its North American produced Laminate floors, contain no less than 74% recycled and fast growing softwood from managed forests for this state-of-the-art high density Smart Core.

3) **No harmful VOCs.** TORLYS Laminate Floors help you create a healthier home as they contain no harmful VOC emissions and exceed California Indoor Air Quality standards, among the most stringent in the world.

Can I put TORLYS Laminate Floors anywhere in my house?

TORLYS Laminate is an engineered product, well-suited for installation anywhere in your home; below grade, over concrete and even over existing floors. Depending on the application, different underlays will be required. Ask your local TORLYS retailer for more information on different applications and what you may require.

What is the Uniclic Joint?

The Uniclic® joint is a patented joint guaranteed to resist gapping, warping and cupping. (Some floating floors promote their joint systems, but if it doesn't say Uniclic®, it's not the same.) The patented Uniclic® is integral to TORLYS Laminate. During installation, it doesn't require messy glues or chemicals, or nails of any kind. Uniclic® creates a remarkably stable and gap-resistant floor, and because the click joint process is reversible, the floor can be re-used up to 3 times under warranty.

How do I maintain my TORLYS laminate floor?

TORLYS Laminate requires the same maintenance as all other TORLYS floors. Simply vacuum or sweep your floors once a week or as needed. To clean your floors, use TORLYS Natural Glow® Eco-Friendly Maintenance Kit once a week or as needed. Clean up any spills with a cloth.

What is the TORLYS Bulldog™ Easy Plank Replacer?

Only TORLYS offers you the Bulldog, a tool that allows you to repair any plank in your floor, even if it's in the middle of your room, with no power tools and little dust or noise. Ask your TORLYS retailer for details.

Can I install TORLYS Laminate floors myself?

TORLYS uses the patented Uniclic® joint, a glue and nail-free joint system that ensures a great-looking floor and makes installation easy. All you need is a saw, hammer, installation kit, tape measure, pencil and some time to install your floor. There are also professional installers. Ask your local TORLYS dealer for more details on installation.

What is the TORLYS Trade-in Value?

The TORLYS Trade-In Value is an innovative new program – the first of its kind! Years down the road when you want to change your floor, TORLYS will provide you up to 20% of the original purchase price of your old TORLYS floor. Register your warranty for your new floor. For more information and to register your warranty, visit www.torlys.com. Applies to purchases in Canada only.

What is the 30/30, 30/60, 30/90 Satisfaction Guarantee?

If after 30 days from installation you are not satisfied with the colour or style of your TORLYS floor, contact your retailer and TORLYS will replace your floor with a TORLYS floor of equivalent value. All you pay is the cost of installation. For more information and to register your warranty, visit www.torlys.com.

Can I order samples of TORLYS floors?

Yes. TORLYS Online Sample Ordering makes it easy to request any flooring sample. Visit www.torlys.com. For a small fee, order a minimum of three 4" X 6" flooring samples of the collection and style of your choice.
